## ONLINE BANKING UPGRADE

**We have upgraded our system and your online banking experience has been improved!**

You will login for the first time using the Username and Password specified in the upper right column of this page. Once you have logged in, you will be prompted to select a security image and set security questions.

You will then be prompted to change the temporary password.

Access and set up your account from a desktop environment before accessing the Mobile App. After establishing secured access on a desktop PC, you can access the app and register your device following the onscreen instructions.
